ADVANCED PRAISE FOR *BROUGHT TO OUR SENSES*

"A profound analysis of complicated family dynamics that should appeal to caregivers seeking inspiration and solace in their own lives ... Wheeler's gripping novel is ambitious in the way it tackles the heavy subject matter of losing a parent to Alzheimer's disease."

—**Kirkus Reviews**

"... Brought to Our Senses is one of the most true-to-life, gripping accounts on the complexities of interconnected family relationships that has appeared in recent years ... Very highly recommended as a striking jewel that is a glowing standout from the growing stack of dementia fiction sagas."

—**D. Donovan, Senior Reviewer**, *Midwest Book Review*

"A vivid painting by a true storyteller using broad brush strokes to illustrate the complexity of Alzheimer's caregiving on families in conflict. You'll find hope in relationships mended by the most tragic of life's circumstances."

—**Dr. Daniel C. Potts**, Neurologist, President of Cognitive Dynamics, and Coauthor of *A Pocket Guide for the Alzheimer's Caregiver*

"Stop, drop, and read this barnburner about a raging parent and a screwed-up family destined to combust."

—**Jacqueline Marcell**, Author of *Elder Rage*

"Brought To Our Senses is a truly inspirational and powerful story offering the universal wisdom of 'real-life' lessons. Faced with an aging parent's health crisis, siblings must confront their deepest resentments and set a new, elevated standard for turning family adversity to love and redemption."

—**Carolyn A. Brent**, MBA, Caregiver & Eldercare Legislation Advocate, Award-Winning Author of *The Caregivers Companion* and *Why Wait?*

STORIES THAT SING

"A heartrending reminder to forgive in case fate forces a family member to forget."

—**Jean Lee**, Author of *Alzheimer's Daughter*

"Read this book. Hearing the struggles of this modern family as they face the difficult nature of dementia helps those involved to see where they are in the journey of Alzheimer's. There is comfort in knowing one is not alone."

—**Susan Frick**, MSW, LSW, Rush Alzheimer's Disease Center, Co-Facilitator of the Without Warning Support Group

"An exceptional read and powerful crystal ball showing the life-changing impact one extraordinary woman with a cognitive impairment can have on an entire family. I couldn't put this book down."

—**Ann Jirmasek**, Clinical Gerontology Specialist, SIU School of Medicine, Center for Alzheimer's Disease and Related Disorders

"A page-turner that takes readers along on one family's journey through dizzying complications of elder care and painful family dynamics to a new place of understanding and compassion."

—**Julie Hubbard**, Executive Director, Area Agency on Aging for Lincolnland, Inc.

"An intimate look at complicated family relationships that provides inspiration to love and learn from the heartbreak none of us can change, and a well-marked roadmap for family caregivers navigating the detours of dementia."

—**Jeanne Campbell**, Administrator, Mill Creek Alzheimer's Special Care Center
